

## *May the Fourth*

Welcome my brother and sister Jedi! Today, we have a great honor to celebrate a relationship that began long time ago in a galaxy far, far away. XXXX and XXXXXX's bond with one another was forged through the force and strengthened by it.

If any imperial scum can think of a feeble reason why these two powerful warriors should not be joined, speak now and be summarily executed.

We are assembled here today in the presence of love but also the Dark Side. Today we join XXXX and XXXXXX in galactic marriage, which is honored by the Jedi Council, regulated by decrees, sanctioned by the Imperial Senate, and to be held in honor among all members of the Empire. Let us therefore judiciously remember that the Jedi has established and ordained marriage, for the extending of its force and the crushing of its enemies. Yoda has asserted that a husband shall forsake his forebears (or eliminate them completely) and cleave unto his wife. Those who enter into this agreement to cherish a mutual esteem and love, to bear each other's infirmities and weaknesses (unless doing so results in defeat); to comfort each other in sickness, trouble, sorrow, and galactic rebellion; in honesty and industry provide for each other; to encourage each other in things which pertain to the force; and to live together as heirs to the full domination of the galaxy against the imperial troops. But your love will defeat the empire and return it to the Jedi.

### **Vows**

XXXX, repeat after me,

My Queen, may the Force be with us as we travel through the galaxy of life.  
I pledge to never turn to the Dark Side  
but stand forever in the illumination of our love.  
I vow to fight the Evil Emperor  
and I invite you take your place at my side as we rule the galaxy.  
Together we can withstand anything,  
even the Death Star, Jabba the Hut and Darth Vader.  
Come with me and we will make this world  
and the others around it ours.  
I'll take part in any rebellion you want  
and pledge my life and love to you, Princess.  
Take my hand and stand with me for light and justice throughout our lives.

XXXXXXX, repeat after me,

My Jedi, my love, I take your hand  
and accept your pledge.  
May the force be strong with us all the days of our lives.  
There is good in you, I sense it.  
Remain a Jedi and I will stand by you.  
No matter what world we crash land on,  
I know that you will take good care of us.  
No matter what happened in the past,  
I know you are brave, intelligent and I love you.  
Together we can stand against injustice wherever we find it  
and bring freedom to our world.  
I pledge to you my love  
and my companionship as long as I live.

## **Exchanging of the Rings**

Master Yoda, invest these rings with your power which you have set apart to be visible signs of the inward and powerful bond which unites their hearts. As they give and receive these rings, may they testify to the galaxy of the covenant made between them here.

XXXX, place the ring on XXXXXX's finger and repeat after me,  
I give you this Jedi symbol of love.  
To have and to hold in sickness and health  
to obtain the riches of the galaxy.  
By the joining of the two rings together  
we can defeat all our challenges and the empire together.

XXXXXX, place the ring on XXXX's finger and repeat after me,  
I give you this Jedi symbol of love.  
To have and to hold in sickness and health  
to obtain the riches of the galaxy.  
By the joining of the two rings together  
we can defeat all our challenges and the empire together.

Search your feelings; you know it to be true. You are entering into an accord as life partners to avoid the Dark Side of the force. The quality of your marriage will reflect what you put into nurturing this relationship and how loyal you are to each other and to the force. You have the opportunity to go forward from this day to create a faithful, kind, tender, strict, and loving relationship. The galaxy gives you its full blessing today. It is up to you to keep the force flowing each and every day of your lives together. We command for you the wisdom, compassion, and constancy to create a peaceful sanctuary in which you can both grow in love.

## **Pronouncement of Marriage**

By the power vested in me by the Jedi Council, I now pronounce you Husband and Wife.

## **The Kiss**

You may now kiss your Queen.

I now present the Master Jedi & His Queen, Mr. & Mrs. XXXXX.
