

Game of Thrones wedding:

The Cloaking

Please now cloak your bride and bring her under your protection. (*groom removes cloak and places on the shoulders of the bride*)

Opening remarks

In the presence of the great warriors, knights, lords, ladies, and those of the Iron Throne, I beseech the Gods to be present and bless this union.

Charge to the Couple

I charge you, ____ & ____, to be present in this moment; to be sober in thought and deed.

Hand Binding & Vows

In the presence of your family and friends, I now bind your hands together, to symbolize your new union of love, trust and friendship. (*Binds hands*) Now, please look at one another and pledge your vows to seal your union.

Bride & Groom in unison:

Father.
Smith.
Warrior.
Mother.
Maiden.
Crone.
Stranger.
I am yours,
and you are mine,
from this day,
until the end of days.

To update/modernize it, I would recommend:

Friend,
Partner,
Companion,
Spouse.
I am yours,
and you are mine,
from this day,
until the end of days

The Game of Thrones vows have seven aspects said in unison, however, you can have as many words as you want or go with an amount which represents a significant number in your life. We can also do a “repeat after me” so that you do not have to try and memorize them.

Ring Exchange

May I have the rings? As a time-honored tradition, _____ & _____ have brought forth great gifts of gold for each other so that they may make tangible their solemn vows. These rings will serve as visible, outward signs that their Houses are joined, that _____ & _____ have committed fully to each other.

I ask that you now place each other's ring on their left ring finger and repeat after me in unison:

Moon of my life
My sun and my stars
May the power of the 7 kingdoms
Forever bless us
From this day,
Until the end of days

Proclamation of Marriage

In as much as this Lord and Lady have stood before their great houses and before the Gods to proclaim their intention to live out their days as husband and wife, I now pronounce that House _____ and House _____ are unified. _____ & _____ are husband and wife.

You may now kiss your Lady.

May the Seven Kingdoms now and forever more recognize this union as one of great power – one that has the ability to overthrow the Iron Throne through the power of its love alone.

Honored guests, I now present
His Lord & Lady _____
